SECTION XII SANCTIONS

12.1 Notice of Noncompliance. Envisaging the compliance with the provisions of this Listing Regulation, BM&FBOVESPA shall give written notice to the Company and any related persons, as the case may be, which totally or partially violates, any obligations arising from this Listing Regulation, assigning a term within which they are expected to remedy such violation.

12.1.1 The Company and any related persons, as the case may be, shall be subject to charge of penalty fines, as set forth in the Sanctions Regulation, and may be assigned sanctions as provided in items 12.4 and 12.5, without prejudice to other applicable penalties established by applicable Brazilian law and regulations and the payment of indemnity for losses and damages, including loss of earnings, as may be determined.

12.2 Penalty Fines. In charging penalty fines, BM&FBOVESPA shall take into account the noncompliant party remediation action, the nature and significance of the noncompliance findings, the ensuing damages to the marketplace and market participants, the gain or unfair advantage obtained by the noncompliant party, the existence of a previous violation to any provisions of this Listing Regulation and the recidivism, characterized by the repetition of a violation of the same nature.

12.3 Fine Collection and Use of Proceeds. Any noncompliant party charged with a penalty fine shall be allowed to pay the fine at a fifty percent (50%) discount, if payment is made on or before ten (10) days after the relevant notice.

12.3.1 A failure to make timely payment of the penalty fine shall subject the noncompliant party to pay the fine as accruing default interest of twelve percent (12%) per annum plus adjustment pursuant to the General Market Price Index of Fundação Getúlio Vargas (IGP-M/FGV), or substitute index, as computed on an yearly basis or at shorter

BOVESPA MAIS LISTING REGULATION

periods, if such is allowed by law.

12.3.2 The proceeds of penalty fines collected pursuant to this Section and previous items shall integrate the assets of BM&FBOVESPA and used to support the Market Arbitration Chamber, which is responsible for settling disputes pursuant to the Arbitration Regulation.

12.4 Non-Monetary Sanctions. Where an instance of violation is not remedied within the term assigned pursuant to the notice mentioned on item 12.1, without prejudice to the charge of fines provided above, BM&FBOVESPA may decide, taking into account the significance of the violation and the damages ensuing for the marketplace and market participants, to order any of the following:

- (i) separate release of market quotation related to securities issued by the Company, in conjunction with a second notice assigning a new deadline for the Company and other noncompliant parties to remedy the violation; or
- (ii) ordering a halt in the trading on *BOVESPA MAIS* of the securities issued by the Company, in conjunction with a second notice assigning a new deadline for the Company and other noncompliant parties to remedy the violation.

12.4.1 Where BM&FBOVESPA elects to proceed as set forth in item 12.4(i), and the Company and other noncompliant persons fail to remedy the violation within the assigned deadline, BM&FBOVESPA may order a halt in the trading on *BOVESPA MAIS* of the securities issued by the Company.

12.4.2 The sanctions provided in item 12.4 shall be lifted as of the date on which the noncompliance or violation is remedied in full.

12.4.3 A trading halt of the securities issued by the Company may further be ordered in the events contemplated in regulations and general rules regulating trading halt at BM&FBOVESPA, as well as according to applicable Brazilian laws and regulation.

12.4.4 Consequences of a Trading Halt. During a trading halt of the securities issued by the Company ordered pursuant to item 12.4(ii) above, the Company, its shareholders, including the Controlling Shareholder, the Senior Managers and fiscal council members shall be required to comply with all the obligations arising from this Listing Regulation, the Arbitration Clause, the Arbitration Regulation and the Sanctions Regulation.

12.5 Cancellation of the Authorization to Trade on BOVESPA MAIS. Without prejudice to application of penalty fines consistent with the provisions above, the authorization of the Company to have its securities traded on *BOVESPA MAIS* may be cancelled if the violation that lead to the trading halt is not remedied within the term assigned in the notice given pursuant to item 12.4(ii).

12.5.1 Effects of Cancellation. A cancellation of the authorization of the Company to have its securities traded on *BOVESPA MAIS*, pursuant to item 12.5, shall not exempt the Company, its shareholders, including the Controlling Shareholder, the Senior Managers and fiscal council members from complying with all the obligations arising from this Listing Regulation, the Arbitration Clause, the Arbitration Regulation and the Sanctions Regulation until such time as the violation has been remedied, provided that:

- (i) the securities of the Company shall not trade on the *BOVESPA MAIS* again for a period of at least two (2) years starting from the cancellation date, unless a change in the control of the Company takes place after the cancellation date;
- (ii) the Controlling Shareholder shall be required to comply with the obligations following a delisting of the Company from the *BOVESPA MAIS*, pursuant to items 11.5 and 11.5.1 (Disposal of Corporate Control after Delisting); and
- (iii) the Controlling Shareholder shall conduct a tender offer to purchase the common shares of other shareholders of the Company for a minimum price at least equal to the Economic Value of the shares, as

BOVESPA MAIS LISTING REGULATION

determined pursuant to Section X of this Listing Regulation, due regard given to applicable Brazilian laws and regulations. The notice regarding such tender offer shall be released to BM&FBOVESPA and disclosed to the market promptly after the Company receives notice of the termination of the *BOVESPA MAIS* Listing Agreement.

12.5.2 The cancellation of the authorization of the Company to have its securities traded on *BOVESPA MAIS* pursuant to item 12.5 above shall not result for the Company in automatic loss of the qualification as a publicly traded company registered with BM&FBOVESPA, except in the event of a bankruptcy decree and the other cases of cancellation of its register to be traded on organized markets of securities.

12.6 Prior to the imposition of any of the sanctions and penalties foreseen in this Section, the noncompliant parties shall have the right to make full answer and defense in respect of the charge of violation of provisions of this Listing Regulation.

12.6.1 BM&FBOVESPA shall release to the market the names of Companies and related noncompliant persons to whom sanctions and penalties are awarded by virtue of the noncompliance of the obligations arising from this Listing Regulation.

If any provision of this Listing Regulation is rendered invalid or ineffective due to any supervening rule, the provision rendered invalid or ineffective shall be replaced with a valid and effective rule, apt to attain the purposes of the provision rendered invalid or ineffective. Any eventual invalidity or ineffectiveness of one or more items shall not affect the validity and effectiveness of the other rules in this Listing Regulation.
