WLM - INDUSTRIA E COMERCIO S.A.	WLM IND COM	Traditional Segment			(...) in response to BM&FBovespa's recommendation in External Communication CE 017/2011-DP dated December 12, 2011, we should note that while we have not adopted sustainability reports per se, or other similar reports, we do engage in socially and environmentally responsible practices, which we adopt across business lines, whenever called for. However, we take the view that the sustainability-related information existing as of the date of this form is insufficient to warrant issuing such extensive report.
