

GLOSSARY

Version 01/24/2024

INTRODUCTION

This glossary is a document independent from other rules and regulations issued by B3. As used herein, the terms, definitions and acronyms are applicable to:

- (I) The B3 Access Rules;
- (II) The B3 Access Manual;
- (III) The B3 Clearinghouse Rules;
- (IV) The B3 Clearinghouse Operating Procedures Manual;
- (V) The B3 Clearinghouse Risk Management Manual;
- (VI) The B3 Central Depository for Equities Rules;
- (VII) The B3 Central Depository for Equities Operating Procedures Manual;
- (VIII) The B3 Trading Rules;
- (IX) The B3 Trading Procedures Manual;
- (X) Other rules and regulations issued by B3, as expressly provided for therein.

The terms commonly used in the financial and capital markets, as well as legal, economic and accounting terms, and any other technical terms used in the B3 rules and regulations, and not included in this glossary of terms, definitions and acronyms, shall have the meanings generally accepted in Brazil.

1. Terms and Definitions

#	TERM	DEFINITION
1.	acceptance <i>[aceitação]</i>	The initial stage of the settlement process whereby B3 becomes the central counterparty for the settlement of transactions by the multilateral net balance thereof.
2.	investment club administrator <i>[administrador de clubes de investimento]</i>	The registered participant responsible for registering and maintaining investment club information with B3, pursuant to applicable regulations.
3.	custody agent <i>[agente de custódia]</i>	The participant holding an access authorization to provide custody services at the B3 central depository and SELIC, depending on the asset , pursuant to specific B3 access rules and procedures.
4.	allocation <i>[alocação]</i>	A procedure whereby full trading participants and settlement participants appoint the investor , the account , or the asset , by taking into consideration the features of the transaction .
5.	lending environment <i>[ambiente de contratação de empréstimo]</i>	The environment managed by B3 or acting as service provider where lending transactions and repo transactions are executed.
6.	trading environment <i>[ambiente de negociação]</i>	The environment managed by B3, or to which B3 may come to provide services, whether electronic or not, where transactions , except lending transactions and repo transactions , are executed.
7.	registration environment <i>[ambiente de registro]</i>	The environment managed by B3, or to which B3 may come to provide services, whether electronic or not, where assets , derivatives and transactions that are not executed in a trading environment or in a lending environment are registered.

#	TERM	DEFINITION
8.	systematic arbitration of gold bars <i>[arbitramento sistemático de lingotes de ouro]</i>	A procedure whereby the purity of gold bars traded in the markets managed by B3 is certified.
9.	asset <i>[ativo]</i>	Securities, rights and other instruments and financial assets, including gold as a financial asset, but excluding derivatives , issued by a corporation or a government entity.
10.	notice of intent to deliver <i>[aviso da intenção de entrega]</i>	The means through which selling investors of derivatives to be settled by physical delivery indicate, via a full trading participant or trading participant , their intention to make delivery of the underlying commodity .
11.	delivery notice <i>[aviso de entrega]</i>	The means through which selling investors indicate, via a full trading participant , their decision to make delivery of the underlying commodity ; this procedure comprises both the submission of the required documentation and the registration of the decision to make delivery in the clearinghouse classification and physical delivery system.
12.	access authorization <i>[autorização de acesso]</i>	The authorization granted by B3, upon approval by its Chief Executive Officer, to the participant intending to operate in the environments, systems and markets managed by B3, pursuant to the access rules set forth in specific B3 regulations.
13.	Inspecting authority <i>[autoridade fiscalizadora]</i>	Any authority, whether administrative or judicial, with powers to judge, inspect and enforce applicable legislation, including but not limited to, ANPD.
14.	correspondent bank <i>[banco correspondente]</i>	The financial institution which (i) holds an account abroad for the settlement of foreign exchange transactions ; and (ii) carries out purchase and sale transactions of foreign currency .
15.	B3 correspondent bank <i>[banco correspondente da B3]</i>	The financial institution which maintains a contractual relationship with B3, in order to (i) hold an account abroad on behalf of B3 for the settlement of foreign exchange transactions ; (ii) carry out purchase and sale transactions of foreign currency ; and (iii) provide other services of interest to B3.
16.	guarantee issuing bank <i>[banco emissor de garantias]</i>	The bank which, in favor of a third party, issues assets that may be accepted as collateral by the clearinghouse and/or endorses rural product notes that may also be accepted as collateral by the clearinghouse .
17.	remote voting ballot <i>[boletim de voto a distância]</i>	The instrument by which the investor expresses his vote electronically and remotely at general and extraordinary meetings registered by issuers at B3 central depository .
18.	participant registration <i>[cadastro]</i>	A procedure whereby registered participants are admitted to and registered in B3.
19.	chain of responsibilities <i>[cadeia de responsabilidades]</i>	The structure that defines the joint accountability between B3 and its participants involving rights and obligations.
20.	clearinghouse <i>[câmara]</i>	B3 itself, when providing, as its primary function, services associated with the acceptance , netting , settlement and risk management of transactions , in addition to other related activities.
21.	capture <i>[captura]</i>	A procedure whereby the clearinghouse systems receive the transactions executed in trading environments or in the lending environments and registered in registration environments .
22.	subaccount <i>[carteira]</i>	The subaccount of accounts utilized at the clearinghouse and the B3 central depository , bearing specific features and purposes.

#	TERM	DEFINITION
23.	SPB message catalog <i>[catálogo de mensagens do SPB]</i>	The document that establishes and discloses the messages transmitted through the RSFN and which are used for communication purposes by BCB, the clearinghouse , financial institutions and other previously authorized entities.
24.	central depository <i>[central depositária]</i>	Any institution or department, whether domestic or foreign, providing, as its primary function, centralized depository services for assets , pursuant to applicable legislation.
25.	B3 central depository <i>[central depositária da B3]</i>	The B3 central depository for equities.
26.	settlement cycle <i>[ciclo de liquidação]</i>	The time frames and hours established by the clearinghouse for the performance of obligations associated with the settlement of transactions .
27.	coverage <i>[cobertura]</i>	The underlying asset of a cash sale, derivative or lending transaction which is maintained by an investor in a specific subaccount of a deposit account held at the B3 central depository or in a specific purpose of a federal government bond deposit account , is earmarked for delivery upon settlement of any such transactions and is considered as collateral .
28.	investor <i>[comitente]</i>	Any individuals, legal entities, funds structured with a single class, classes of shares in investment funds or collective investment entities, or any other similar entities, whether in Brazil or abroad, holding the transactions executed on their behalf and to their order, to be settled through a participant , and utilizing the services of a custody agent for the custody of their assets at the B3 central depository or SELIC.
29.	clearing or netting <i>[compensação]</i>	A procedure whereby the net position (credits minus debits) of counterparty rights and obligations is calculated for settlement purposes at the clearinghouse .
30.	financial conglomerate <i>[conglomerado financeiro]</i>	A set of financial entities directly or indirectly linked by shareholding interests or actual operating control, as characterized by common administration or management or by market operation under the same trade mark or name, or a set of financial entities that maintain contractual and/or administrative relationship.
31.	account <i>[conta]</i>	The means used to identify participant assets , transactions and positions at the clearinghouse and central depositories , pursuant to the features and status thereof.
32.	CEL account <i>[conta CEL]</i>	A special settlement account , bearing the same features as a current account, which is held by an investor and is both maintained with and managed by the B3 Bank, and through which the cash settlement of said investor's rights and obligations is carried out directly with the clearinghouse , but segregated from the financial flows of the relevant full trading participant or settlement participant and clearing member ; said account is exclusively used in the transfer of funds inherent in the settlement process as well as in collateral posting in local currency.
33.	CELP account <i>[conta CELP]</i>	A special settlement account , bearing the same features as a current account, which is held by a full trading participant or settlement participant and is both maintained with and managed by the B3 Bank, to be exclusively used, by decision of B3, in the transfer of funds inherent in the settlement process as well as in collateral posting in local currency, whereby settlement occurs directly with the clearinghouse .
34.	deposit account <i>[conta de depósito]</i>	An individual or collective account held by investors at a central depository for the purpose of holding in custody and controlling the movement of assets submitted to the centralized depository service, as well as holding in custody and transferring deposited financial resources and assets , in order to ensure the certainty of the settlement of transactions (collateral).
35.	Selic deposit account <i>[conta de depósito Selic]</i>	A deposit account in SELIC, of the “ clearinghouse special custody – deposit” type, individualized per investor and used by the clearinghouse in activities associated with the settlement process of transactions in government bonds.
36.	federal government bond deposit account <i>[conta de depósito de título público federal]</i>	An account , in the clearinghouse system, that replicates the Selic deposit account in order to carry out the transfer of government bonds underlying transactions settled by the clearinghouse .

#	TERM	DEFINITION
37.	Settlement account <i>[conta de Liquidação]</i>	An account held at BCB by a non-bank institution which is used by the relevant holder to make and receive the payments associated with: (i) when acting as a clearing member , its own access authorization to the clearinghouse for settlement purposes; (ii) when acting as a full trading participant , the gross settlement process, when applicable; and (iii) when acting as a custody agent , its own custody activities.
38.	clearinghouse settlement account <i>[conta de liquidação da câmara]</i>	An account held by the clearinghouse at BCB which is used in the transfer of financial resources associated with the settlement processes of both the clearinghouse and the B3 central depository .
39.	asset settlement account <i>[conta de liquidação de ativos]</i>	A specific deposit account held by the clearinghouse or an external system at the B3 central depository , at BCB (SELIC), or at other central depositories , in order to provide the movement of assets involved in the settlement process.
40.	equity account <i>[conta de patrimônio]</i>	An account held by B3 at BCB (SELIC) which is earmarked for the reception, custody and transfer of federal government bonds held by B3.
41.	position account <i>[conta de posição]</i>	An account held at the clearinghouse for position and collateral registration and control purposes.
42.	asset restriction account <i>[conta restrição de ativos]</i>	A deposit account held on behalf of the clearinghouse or an external system in order to hold the assets to be used in the settlement and risk management processes.
43.	Bank Reserves account <i>[conta Reservas Bancárias]</i>	An account held at BCB by a banking institution which is used by the corresponding holder to make and receive the payments associated with: (i) when acting as a clearing member , its own access authorization to the clearinghouse for settlement purposes; (ii) also for settlement purposes at the clearinghouse , the access authorization of a third party not holding a Bank Reserves account or a Settlement account ; and (iii) when acting as a custody agent , its own custody activities.
44.	SELIC account <i>[conta Selic]</i>	A deposit account held by a participant at BCB (SELIC) for the receipt, custody and transfer of federal government bonds, including receipt, custody and transfer associated with the settlement process and with collateral posting and withdrawal, as well as with the services provided by the clearinghouse .
45.	central counterparty <i>[contraparte central]</i>	The position assumed by B3 through novation, pursuant to which it becomes the buyer to all sellers and the seller to all buyers, the borrower to all lenders and the lender to all borrowers , as well as the guarantor of the accepted transactions exclusively to participants , in the settlement of their respective obligations.
46.	foreign exchange contracting <i>[contratação de câmbio]</i>	The formalization of a foreign exchange transaction after the acceptance thereof by the clearinghouse .
47.	personal data controller <i>[controlador(a) de dados pessoais]</i>	The individual or legal entity, of public or private law, in charge of decisions referring to the processing of personal data, under the terms of the LGPD.
48.	Controlling guarantor <i>[controlador garantidor]</i>	Any individual or legal entity that may deposit assets under its ownership as collateral in favor of the clearinghouse in the event of a non-compliance, by a participant under its control, with the economic and financial requirements for granting and maintaining the participant's access authorization .
49.	analytical balance control <i>[controle analítico de saldos]</i>	The analytically performed record and maintenance of the balance of assets which store information associated with the acquisition dates and costs thereof.
50.	synthetical balance control <i>[controle sintético de saldos]</i>	The record and maintenance of the balance of assets which consolidate the quantities thereof, regardless of the corresponding acquisition dates and costs.

#	TERM	DEFINITION
