Re: **UP2DATA ON DEMAND – New Service for Provision of Historical Data.**

B3 hereby informs you that, as of the date of publication of this Circular Letter, a new data delivery service, UP2DATA ON DEMAND, will be available to provide its participants, financial institutions, students and investors with historical data from different markets in a simple and efficient way.

UP2DATA ON DEMAND contains historical data series spanning more than 20 years and includes end-of-day price, settlement price, reference price, instrument registration, yield curves, volatility surface, and indices, among other data, which can be acquired through pre-configured or customized data sets according to the user's need. The data will be delivered in an organized and standardized manner on an exclusive web platform: [www.up2dataondemand.com](http://www.up2dataondemand.com).

Further information can be obtained from Information and Technology Products and Services by telephone on +55 11 2565-7908 or by email at [up2dataondemand@b3.com.br](mailto:up2dataondemand@b3.com.br).
