Re: **Drop Copy Service – Start of Certification**

On **September 20, 2021**, new gateways will go live for testing in the certification environment as part of the Drop Copy Service project.

Because the new architecture does not entail automatic switching to the high-availability instance in the event of primary instance failure, certification of this scenario will be mandatory, and must be scheduled with Trading Support by calling +55 11 2565-5023 or emailing [tradingsupport@b3.com.br](mailto:tradingsupport@b3.com.br).

The certification script with the steps for execution of the primary instance failure scenario is at [www.b3.com.br/en\\_us](http://www.b3.com.br/en_us), Solutions, Platforms, PUMA Trading System, Developers and vendors, How to certify, Certification scripts.

It is important to note that Sinacor version 22.1. is adherent to the project. Information on certification testing and clarification of doubts about this update can be obtained by calling +55 11 2565-5056 or emailing [sinacor.certificacao@b3.com.br](mailto:sinacor.certificacao@b3.com.br).

Recertification of other message receiving scenarios under already certified drop copy solutions will not be necessary.

The technical specifications of the Drop Copy Service are at [www.b3.com.br/en\\_us](http://www.b3.com.br/en_us), Solutions, Platforms, PUMA Trading System, Developers and vendors, EntryPoint – Order entry, Drop Copy Service.
