Re: **Launch of the Insights Data Service via DATAWISE.**

B3 hereby informs you of the launch of the Insights data service, which will be provided via DATAWISE as of **May 27, 2020.**

Insights provides market participants and financial institutions with analytical data from B3's different markets and from several sources of external information, aiming to assist with new investor prospecting.

Information is accessed via website login, visualized on dashboards (comparative panels) and consolidated by state, mesoregion, microregion and municipality.

The Insights via DATAWISE functionality will be provided free of charge until December 31, 2020 for clients who contract the service.

Contracting shall be through the DATAWISE Services Contract.

The contract and the DATAWISE commercial policy are available at [www.b3.com.br](http://www.b3.com.br), at Market data and indices, Data services, DATAWISE, Files for download, Documents, Services contract; Commercial policy.
