## EXTERNAL COMMUNICATION

To: Listed B3 Participants

Re: **B3 channels for announcement of new admissions to trading and listing of new BDRs**

As of **July 15, 2022**, B3 will no longer publish External Communications to announce the admission to trading and listing of new BDRs, but will do so via the communication channels used to publicize the admission of new products: "Daily bulletin" and "Data on exchange-listed and OTC assets available to the public".

We hope this will help participants find the information they require regarding new admissions to trading and listing of new BDRs.
