## COMUNICADO EXTERNO

Participantes dos Mercados da BM&FBOVESPA (BVMF) – Segmento Bovespa

**Ref.: Funcionamento do Mega Bolsa em 17/01/2012**

Informamos que, devido a problemas técnicos em um dos núcleos de negociação do sistema Mega Bolsa, a abertura da negociação para o mercado de ações em 17/01/2012 ocorreu às 12h20, com a realização de período de pré-abertura de 5 minutos.

Em decorrência do problema no núcleo de negociação, as ofertas com validade de compra e venda dos ativos listados no anexo deste Comunicado Externo foram eliminadas pela BM&FBOVESPA anteriormente à abertura do pregão de 17/01/2012.

Os problemas foram contornados pelas equipes técnicas da BM&FBOVESPA e da NYSE Technologies, provedora do sistema de negociação.

A falha está sendo analisada pelas equipes da BM&FBOVESPA e da NYSE Technologies, de modo a aplicar medidas preventivas adicionais evitando a recorrência do problema.

Atenciosamente,

Luiz Otávio Saliba Furtado  
Diretor Executivo de Tecnologia e Segurança da Informação
