## EXTERNAL COMMUNICATION

Listed B3 Participants

Re.: **B3 SBE Trading Gateway - Publication of Connectivity Data in the Certification Environment**

B3 hereby informs you of the availability, as of May 15, 2023, of the connectivity table with public IP addresses to access new SBE trading gateways to the **certification environment**, and of session level messages tests. This is in preparation for the launch of products and functionality and aims to assist participants, vendors and investors.

The start date of the application level messages tests and validation scripts will be announced in due course through External Communication.

Connectivity data about the SBE Trading Gateway is available at [https://clientes.b3.com.br/en\\_us/roadmap/](https://clientes.b3.com.br/en_us/roadmap/), Roadmap, Binary Gateway.

The SBE Trading Gateway launch date will be announced in due course.

Further information can be obtained from Trading Support by telephone on +55 11 2565-5021 or by email at [tradingsupport@b3.com.br](mailto:tradingsupport@b3.com.br).
