Listed B3 Participants

Re.: **B3 Market Data – Postponement of the Migration of Instruments between Channels 7 and 8**

We hereby inform you that, on the request of market participants, the migration to channel 7 of the instruments listed below currently published at channel 8, as announced in External Communication 108/2022-VNC, dated July 7, 2022, has been postponed until **August 15, 2022**.

Contracts	Current Channel	New Channel
S&P 500 Futures	8	7
Mini S&P 500 Futures		
Options on S&P 500 Futures		
S&P 500 Futures Rollover Structured Transaction		
Mini S&P 500 Futures Rollover Structured Transaction		

The aim of this change is to enhance the data flow balance at the UMDF PUMA Market Data platform for the derivatives market and to bring forward preparation for the launch of new products.

This feed is already available in a certification environment and may be validated in a production environment during the mock trading session to be held on
