Operating procedures change for the publication of index portfolio previews

Destined for segment participants: OTC, Listed.

Summary: As of December 2025, the third preview of the portfolios will be published five days before the new portfolios become effective, using data from the penultimate trading session.

We inform you that as of the new rebalancing of B3 index portfolios in December 2025, the publication schedule for the third preview of the portfolios' composition will change, with preview publication henceforth occurring five days before the new portfolios come into effect.

We also inform you that the calculation deadline for each preview will be based on the data of the last trading session prior to the respective preview publication date, as set out in the table below.

The purpose of these changes is to improve the predictability and transparency of the index composition processes.
