

Extension of the deadline for submitting Market Data reports

Intended for segment participants: Listed and OTC.

Summary: B3 hereby announces the extension of the deadline for the submission of the January 2026 consumption report to the end of the February 2026 reporting cycle, which takes place on March 16, 2026.

Dear Clients,

We have identified that a few clients have not yet completed the process of submitting Market Data B3 consumption reports for the month of January 2026, for which the original deadline is February 18, 2026.

In consideration of the adjustments required from the market due to the implementation of the new layouts and system, and with the objective of ensuring that all clients are able to complete their internal developments and properly report their consumption, **B3 hereby announces the extension of the deadline for the submission of the January 2026 consumption report to the end of the February 2026 reporting cycle, which takes place on March 16, 2026.**

The following clarifications apply:

1. Clients that have already successfully reported their January 2026 consumption are not required to take any further action.
2. Clients that have not yet successfully reported their January 2026 consumption may do so either (i) until February 27th, 2026, by using the “New Report”

functionality in the reporting system, or (ii) between March 1st, 2026 and March 16th, 2026, by using the “Correct Report” functionality in the reporting system¹.

3. No penalties will be applied to clients who complete the Market Data consumption reporting process for January 2026 by March 16th, 2026.
4. The reporting of consumption for February 2026 must be carried out within the deadline already established in the applicable Policy, namely from March 1st, 2026 to March 16th, 2026, using the “New Report” functionality in the reporting system².
5. The billing for the consumption months of January and February 2026 will be carried out in March 2026, with the issuance of the respective invoices, in accordance with the deadline established in the applicable Policy.

¹The January 2026 Consumption report must include, in the header, the identification of the month of January 2026, and the February 2026 consumption report must include, in the header, the identification of the month of February 2026

²Once the internal use license holder logs into the platform to report, they may choose the “recurring” reporting function using the reporting platform to replicate their report indefinitely. For more information you may reach out to your relationship manager

We further remind you that corrections to consumption reports for months prior to the effective date of the current Policy must be submitted to B3's Contracting team (email: servicecontracting@b3.com.br) and will be billed as usual during this period.

We remain at your disposal to support you throughout this transition and thank you for your cooperation.
