Improved access to historical fixed income data on the B3 website

Intended for segment participants: OTC.

Summary: As of December 15, 2025, all historical data on fixed income Investments will be available in one place on the B3 website.

To improve user experience and centralize access to market data, as of **December 15, 2025**, a new access to fixed income data will be available in the Daily Bulletin on the B3 website. Therefore, the former CETIP website, which contained historical series on fixed Income data, **will be discontinued on the same date**.

By consolidating all data in one place, B3 aims to facilitate access to and analysis of data, thus offering greater operational efficiency to market participants. Details about improvements and links for access can be found in Annex 1 of this document. A detailed list of the historical data that will be maintained and made available can be found in Annex 2.
