

Launch of New Market Data Contracting and Reporting Platform

Intended for segment participants: Listed and OTC.

Summary: The implementation schedule for the new platform, the Periodical Self-Report Submission Manual and information will be available on the B3 Clients website from October 10, 2025.

As disclosed in Circular Letter 104/2025-PRE, upon release of this External Communication, the implementation schedule for the new B3 Market Data contracting, reporting and financial management platform will be available at <https://clientes.b3.com.br/en/> along with the corresponding supporting materials, from October 10, 2025.

The first draft of the Periodical Self-Report Submission Manual, which contains the new report layouts and corresponding specifications, will also be available. As this schedule is implemented, additional supporting materials will be published on the website.
