CIRCULAR LETTER

Listed B3 Participants

Re.: **Processing of B3 Index Portfolios due to the Corporate Reorganization/Partial Spin-off of REAG Investimentos S.A. (REAG) and Reveen S.A. (RVEE)**

Procedures for the index portfolios

For the opening of the trading session on **April 22, 2025**, the adjustment procedures described below will be adopted, as per the Statement of Material Fact that the companies REAG Investimentos S.A. (REAG) and Reveen S.A. (RVEE) published on April 3, 2025.

In the Special Corporate Governance Stock Index (IGCX), Novo Mercado Corporate Governance Equity Index (IGNM) and Special Tag-Along Stock Index (ITAG) portfolios, the ordinary share RVEE3 will be included, with a theoretical quantity of REAG3 multiplied by the exchange factor (0.02), rounding down the result.

Considering the ex-partial spin-off price of REAG3 and the price set for RVEE3, the total financial value of these assets in the portfolios of the above indices at the beginning of April 22, 2025 will be equivalent to the financial value of REAG3 at the close on April 17, 2025.

052/2025-PRE

For periodic rebalancing purposes, the processing of historical data will involve the migration of 42.22386839359% of the trading history of REAG3 to RVEE3.

We emphasize that the divisors for all the above indices may be adjusted in the event of corporate actions occurring in other assets that make up the portfolios.

These procedures are published daily via B3's news agency (Agência de Notícias) on trading screens, and on B3's portal, at www.b3.com.br/en_us, Market data and indices, Indices, Corporate Governance Indices, Special Corporate Governance Stock Index (IGC), Know more, News agency.
