## EXTERNAL COMMUNICATION

To: Listed B3 and OTC B3 Participants

Re: **Report on Public Consultation – Changes to B3’s Regulations to Adapt to the B3 Recovery Plan**

Today B3 is publishing its report on the public consultation regarding changes to the B3 Clearinghouse, B3 Foreign Exchange Clearinghouse, B3 Central Securities Depository and OTC B3 normative documents, to provide the measures and operating procedures that B3 may adopt if it executes the B3 Recovery Plan.

The report summarizes the comments and suggestions received, and presents B3’s analysis and clarification regarding these, as well as additional changes to the normative documents, where appropriate.

The report, the contributions whose authors authorized B3 to publish them, and drafts of the (i) B3 Clearinghouse Rules, (ii) B3 Clearinghouse Risk Management Manual, (iii) B3 Clearinghouse Operating Procedures Manual, (iv) B3 Foreign Exchange Clearinghouse Rulebook, (v) B3 Foreign Exchange Clearinghouse Risk Management Manual and (vi) B3 Foreign Exchange Clearinghouse Operating Procedures Manual, with additional changes that reflect the contributions, are available at [www.b3.com.br](http://www.b3.com.br), Regulação, Consulta Pública – Adequação de Normativos ao Plano de Recuperação da B3.

043/2022- VNC

The Central Bank of Brazil (BCB) and the Securities and Exchange Commission of Brazil (CVM) have been asked to appreciate and approve all the proposed changes to the normative documents submitted to public consultation. To date, CVM's approval has been granted.

Further clarification can be obtained from the Risk Management Department by calling (+55 11) 2565-5034 or emailing [consultapublicapr@b3.com.br](mailto:consultapublicapr@b3.com.br).
