Launch of the B3 Gold Futures Index (IF Gold B3)

Aimed at segment participants: Listed

Abstract: IFGold will be launched on October 21, 2025, and will serve as a total return indicator for a theoretical portfolio with the Gold Futures Contract (GLD) and systematic rolling.

On 10/21/2025, the B3 Gold Futures Index (IF Gold B3) will be launched. Its objective is to serve as the total return indicator for a theoretical portfolio composed of the Gold Futures Contract (GLD), with systematic rolling and cash invested in assets indexed to the 1-day DI rate or the Over Selic rate.

The IFGOLD methodology is available on the B3 website (Market Data and Indices, Segment and Sector Indices, IFGOLD).
