Re: Publication of Average Fees at the Securities Lending Service (BTC).

Complementing External Communication 013/2011-DN of February 23, 2011 and meeting market requests, BM&FBOVESPA hereby informs you that **as of and including February 17, 2014**, it will publish the average fees of contracts registered with the Securities Lending Service (BTC), by underlying security and referring to the business day, three business days and 15 business days prior to the date of publication. Furthermore, there will be the publication of the minimum and maximum fees of the day prior to the publication date. At present, only the average rate of the last three business days is published.

The layout of the DBTCER9999 file has been changed and is available for consultation, in Portuguese, at www.bmfbovespa.com.br / Services / Securities Lending System / Registered Loan Contracts.

Further information and clarification may be obtained from the Settlement Department by telephone at (+55 11) 2565-4142/4294, or from the Commercial and Market Development Department by telephone at (+55 11) 2565-7321/6271.
